USMX FILES UNFAIR LABOR PRACTICE CHARGE WITH NLRB

LYNDHURST, NJ (SEPTEMBER 26, 2024) – FOR IMMEDIATE RELEASE

"USMX has been clear that we value the work of the ILA and have great respect for its members. We have a shared history of working together and are committed to bargaining.

Due to the ILA's repeated refusal to come to the table and bargain on a new Master Contract, USMX filed an Unfair Labor Practice (ULP) charge with the National Labor Relations Board (NLRB) and requested immediate injunctive relief – requiring the Union to resume bargaining – so that we can negotiate a deal."
