

ILA-USMX JOINT SAFETY COMMITTEE

OSH ALERT 2025-01 [31 January 2025]

OSHA Injury/Illness Recordkeeping Advice

The ILA~USMX Joint Safety Committee (JSC) would like to remind its constituents that tomorrow, **February 1, 2025**, is the deadline to complete, certify and post the Summary of Work-Related Injuries and Illnesses (OSHA Form 300-A) for calendar year 2024. The 300-A Summary must remain posted through **April 30, 2025**.

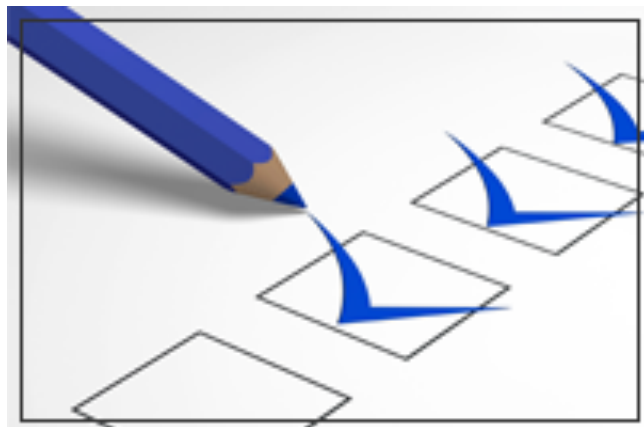

If past is prologue, a delay of a day or two shouldn't be a deal breaker in compiling, signing and posting the Summary form. But please understand that this must be done.

That's not all..... Employers must also submit their 2024 workplace injury and illness data directly to the online OSHA application by **March 2, 2025**. The data to be submitted consists of those found on OSHA Forms 300, 301 and 300A for calendar year 2024.
